

Saint Lucians...

Make a difference to the development of Saint Lucia and the Saint Lucian Community in the UK!

#SLUDiaspora4Development

Dear Members of the Saint Lucian Diaspora

In a bid to enhance and develop the way in which Saint Lucia engages with its diaspora, **the Government of Saint Lucia** (via the **Diaspora Affairs Office** and the **High Commission for Saint Lucia in London**) has partnered with **the International Centre for Migration Policy Development (ICMPD)** and diaspora members to conduct a study of the skills of the Saint Lucian diaspora in the UK. This undertaking **funded by the European Union** is timely, as the country strives towards evidence-based policy making and programming.

Key information on the survey developed for this study :

- It takes **about 10 minutes to complete online**
- A paper version can be found at **the High Commission for Saint Lucia in London**
- It is **anonymous and confidential**; your personal data will not be collected and the responses will be analysed as a whole. The data will be stored on secured servers and follow European Union General Data Protection Regulation (GDPR) guidelines
- Only questions marked with * are compulsory.

As your personal data will not be collected, it will not be possible to withdraw your participation once you have validated your survey. You can skip the questions you do not wish to answer or stop filling in the survey at any time.

Your participation in this survey could really make a difference.

Please feel free to share the QR code or link to the online survey with people you know and tell others about it — <https://ee.kobotoolbox.org/single/DDU4H4p1>

*The survey will remain open from **01.06.2023** to **30.06.2023**.*
